Sanitary Supplies.

There is yet a pressing necessity that the people everywhere should exert themselves to send forward hospital supplies for our sick and wounded soldiers at Vicksburg. Money can be used to advantage in purchasing supplies. Those who have articles needed should give freely, and those who have not can donate money. There is immediate want for these things. No time should be lost in consultation, but each one come forward and give what can be spared for this noble and benificent object.

We would suggest to the clergy of the city to take up contributions in their churches, to-morrow, or in some way bring the subject before their congregations.—Time is passing, battles are being fought, and many of our brave boys are suffering. Let us give them quickly all the aid we can.

☞ Rev. Mr. Goodspeed has returned and will preach in his pulpit to-morrow, morning and evening.

☞ The attendance at the concert of the pupils of the Blind Institute was not quite what it should have been last evening, considering the occasion. The music was very good and gave good satisfaction. Many of the pieces were encored.

FOUND.—Two blankets have been left at this office, the owner can have the same by proving property and paying for this notice.

☞ The dwelling house of Samuel Church, at Afton, was struck by lightning on the night of the 27th. The electric fluid came down the chimney and passed within a few feet of the bed where the family were sleeping, but fortunately no one was injured.

☞ Persons attending the Universalist State Convention, at Oshkosh, June 3d and 4th, can go at half the usual rates of fare, over the C. & N. R. R.—full fare to the convention, returning free.

FOUND.—On Main street last evening a small amount of money—enquire of E. D. Murdock, at the store of Conrad and Murdock.

☞ Major Martin Flood is appointed lieutenant colonel of the 3d Wisconsin regiment, vice Scott killed in battle. Captain *P. H. Hubbard to be major.*

☞ Dr. H. W. Causdell has been appointed surgeon of the twenty-second regiment.

SPECIAL MEETING.—A special meeting of the members of Hook and Ladder Co. No. 1, will be held at their house this evening, at half past seven o'clock.

R. GEDDES, Sec'y.

For all which it is a speedy and certain remedy, and never fails The Liniment is prepared from the recipe of Dr. Stephen Sweet, of Connecticut, the famous bone setter, and has been used in his practice for more than twenty years with the most astonishing success.

AS AN ALLEVIATOR OF PAIN, it is unrivaled by any preparation before the public, of which the most skeptical may be convinced by a single trial.

This Liniment will cure rapidly and radically, RHEUMATIC DISORDERS of every kind, and in thousands of cases where it has been used it has never been known to fail.

FOR NEURALGIA, it will afford immediate relief in every case, however distressing.

It will relieve the worst cases of HEADACHE in three minutes and is warranted to do it.

TOOTHACHE also will it cure instantly.

FOR NERVOUS DEBILITY AND GENERAL LASSITUDE arising from imprudence or excess, this Liniment is a most happy and unfailing remedy. Acting directly upon the nervous tissues, it strengthens and evivifies the system, and restores it to elasticity and vigor.

FOR PILES—As an external remedy, we claim that it is the *best* known, and we challenge the world to produce an equal. Every victim of this distressing complaint should give it a trial, for it will not fail to afford immediate relief, and in a majority of cases will effect a *radical cure.*

QUINSEY AND SORE THROAT are sometimes extremely malignant and dangerous but a timely application of this Liniment will never fail to cure.

SPRAINS are sometimes very obstinate, and enlargement of the joints is liable to occur if neglected. The *worst case may be conquered by this Liniment in two* or three days

BRUISES, CUTS, WOUNDS, SORES ULCERS, BURNS AND SCALDS, yield readily to the wonderful healing properties of DR. SWEET'S INFALLIBLE LINIMENT, when used according to directions. Also, CHILBLAINS, *FROSTED FEET, AND INSECT* BITES AND STINGS

Every Horse Owner

should have this remedy at hand, for its timely use at the first appearance of Lameness will effectually prevent those formidable diseases, to *which all horses* are liable, and which render so many otherwise valuable horses nearly worthless.

Over four hundred voluntary testimonials to the wonderful curative properties of this Liniment have been received within the last two years, and many of them from *persons in the highest ranks of life.*

CAUTION.

To avoid imposition, observe the signature and Likeness of Dr. Stephen Sweet on every label, and also "Stephen Sweet's Infallible Liniment" blown in the glass of each bottle, without which none are genuine.

DAILY GAZETTE.

THE MOVEMENT AGAINST VICKSBURG.

Operations up to the 22d Inst.

Correspondence of the St. Louis Republican.
THREE MILES IN REAR OF VICKSBURG, May 20.

On the 18th the army crossed the Big Black and marched to Vicksburg, Sherman coming in and taking possession of Haines' Bluff, McPherson arriving on the Jackson road, and McClernand advancing towards the close of his march on the road to Baldwin's Ferry.

Yesterday morning Gen. Grant began to "move upon the enemy's works"—a line of redouts, extending from the rear of Haines' Bluff to the Warrenton road, a distance of eight or ten miles. The attack was made with Sherman on the right, McPherson extending from his left to the railroad, and McClernand from the railroad to the extreme left. At daylight our troops moved up, but the action did not begin till about noon, save an occasional shot from our artillery, as it came up in range.

On the left Gen. Osterhaus, having recovered from the confusion, took command again of his division, Gen. Lee being assigned to the command of 1st Brigade.—After a slow fire from our artillery had failed to elicit any reply from the rebel works, our lines slowly advanced until at every point they were in front hardly one thousand yards from the redouts. The ground over which we crossed in this movement was singularly rough, a series of hills and hollows, not high, but steep. As we neared the hostile redouts we found that they commanded every crest and swept every ravine. Yet at 2 o'clock a general assault was ordered. I was on the extreme left at the time, and had an opportunity to observe the movements of Lee's brigade in the advance at that point.

Addressing a few words of cheer to his men, he placed himself in front of the centre of his brigade, and led instead of following them. Arriving on the crest of the hill, he was greeted by a perfect tempest of shot and shell, and while thus gallantly leading his men, he was struck in the face by a bullet and fell, seriously, but, I am glad to say, not dangerously wounded.—His brigade dropped behind the crest they had attained, and held their ground there.

About the same success—or want of success—attended the charge along the whole line. We have, up to this time, advanced so closely to the enemy's works that he cannot safely use his guns, and our heavy artillery is being pushed up and planted in such a way that I trust to-morrow will see some good results. Communication is opened to the Yazoo by the way of Haines' Bluff, and supplies now come to us from the upper river.

As I write, the slow and sullen booming of the gunboats, both above and below, shows that they too are joining in the great fight. The situation grows dramatic and solemn, and the end is at hand.

IN REAR OF VICKSBURG, May 21.

The stronghold of the rebel power on the Mississippi is now completely invested by the army of Gen. Grant.

The fragments of the insurgent forces which escaped from the victories of Port Gibson, of Jackson, of Champion or Midway Hills, and of Big Black, have retired within the strong but small circle of defences which surround the city at a distance of about two miles from its heart.—There a stubborn resistance is now being made, the redoubts and rifle-pits giving the rebels an advantage in the way of safety, but none, I think, in the way of moral strength. Presumptively, the advantage is with the attacking party, and especially in this case, where our army, since its bold move from Young's Point, by way of Grand Gulf, has been uniformly and brilliantly successful.

To-day our forces are busy from right to left, over the entire line, in creeping more closely to the formidable works of the enemy. At several points our sharpshooters are so near the redoubts and so well sheltered by the remarkably rough ground, that they totally prevent the enemy from using his guns. They are near enough, too, to indulge in jocose conversation with the rebels in their refle pits. As to-day an Illinois boy cries out:

"Hullo, there, secesh!"

"Hullo."

"Got any liquor in Vicksburg?"

"Plenty."

"Well, we'll come in to night, and take a horn."

At the same time our heavier artillery is being pushed up slowly in such a way as to bear very effectually on the enemy's works. The ground is such that the hills occupied by us are just about as convenient and commanding as those occupied by them. What works they have within the line we are now attacking is not known, but they cannot be extensive, for their present line is quite near the city. If the rebels retire from their present position, they subject the city to destruction.

Below and above Vicksburg our mortar fleet is grumbling and thundering, very slowly but steadily, and we can see the huge shells bursting over the town. A warm place to live in now.

IN REAR OF VICKSBURG, May 22.

To-day a general charge upon the enemy's works was ordered and made, though I cannot yet learn that at any point the works were completely carried. The singularly rough nature of the ground makes it almost impossible to tell what we have to encounter before us, and rapidly fatigues the men. But we advance in this way steadily, and at each charge our sharpshooters obtain a better field for their operations. Our artillery hastens to get a better position, small intrenchments being thrown up to protect it; and thus we have the curious spectacle of hostile redoubts already frowning upon each other, at a distance of but a few hundred yards.

The guns of the rebels reply to our shelling but seldom. They are evidently husbanding their ammunition, for they can now get no further supply. I think that they are short of artillery, too. Their redoubts are constructed for field guns, and within the last three weeks Gen. Grant has captured about seventy of these.

In the mean time, we have a new base of supplies from the Yazoo, through which reinforcements, provisions, ammunition, and heavy guns can be sent as rapidly as we please.

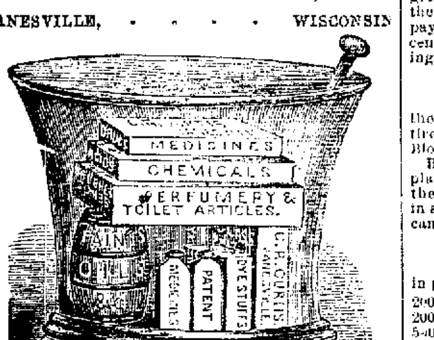

The rebel force within Vicksburg cannot now be more than 20,000. Before the fight at Jackson they may have had 45,000 but part of that number were forced up northward, towards Canton—say 10,000.—At the battle of Midway Hills, (or Champion's Hill,) on the 16th inst., their effective force was perhaps 35,000 men. Of these at least 10,000 were killed, wounded, captured, or driven to escape northward or southward, in such a way as to prevent them from returning to Vicksburg. At the fight on Big Black, on the 17th, we captured nearly 3,000, and scattered many more in such a way that they are more likely to have straggled home through the woods than to have reported for duty.

LATER.—I have arrived at the Yazoo, near Chickasaw Bayou, after riding to the extreme left of our army. Of course rumors are plenty of the operations of to-day. One is that our mortars and gunboats have silenced two of the upper batteries, and that vessels now pass Vicksburg without being fired on. Another is, that in the attempted charge of to-day the 31st Illinois got up to the enemy's works, and there found a stockade so high that they could not scale it, and so they stopped and lay down under it, unable to go further, yet protected from the enemy's fire. At this moment a rebel redoubt on the left tried to get a raking fire on them, when the artillery, concentrating its shots upon the redoubt, suddenly battered it to silence, knocking one of its guns some thirty feet into the air.

SPECIFICATIONS

For grading that portion of Madison street extending north from Ravine street to Jackson street, in the First Ward, city of Janesville.

THE center line of said street shall be filled from the side gutters to the elevation shown on the profile, and deposited in such places as are necessary, marked on said profile, so that when completed the street shall produce one true surface as indicated by the established grade for said street, on file in the city clerk's office. If sufficient earth shall not be obtained by the side cutting from the gutters to do the necessary filling, both on the center line and gutters, the residue of earth necessary shall be hauled and deposited on said street from such places as may be indicated by the aldermen of the first ward, not exceeding 150 rods distant from said street. Said gutters shall have a depth of one foot on each side of their respective cross sections, and are to be graded so that when completed the street shall represent one uniform surface crowning from the center line to the gutter bottoms one foot. Width of grading 51 feet.

The grading to be finished to the satisfaction of the aldermen of the first ward, or such person as they may appoint to superintend it.

The center line is represented on the accompanying plan, and is made part of the specifications.

Notice.

NOTICE is hereby given that at the regular meeting of the Common Council of the city of Janesville, to be held on the fourth day of June, 1863, the said council will proceed to act in relation to the work mentioned in the foregoing specifications; and that until the day last aforesaid sealed proposals for the performance of said work will be received by the City Clerk.

GENERAL ORDER No. 1.

TO THE PEOPLE OF WISCONSIN.

The best bought, best selected, best assorted and most extensive stock of

DRY GOODS

ever offered in Janesville, is now open to

PUBLIC INSPECTION

at the

Great Mart of McKey & Bro.

WE have taken advantage of the recent unparalleled fall in the price of gold, E. McKey having resided almost exclusively in New York for the past three months, was on hand and

BOUGHT LARGELY

of first class importers, who, under the influence of the panic,

Sacrificed Many Desirable Goods

at 50 cents on the dollar of the prices ruling one week previous. The public is aware that the cause of the great advance in the price of Imported Goods was the the enormous premium on gold, to buy exchange and pay duties; that having declined from 74 to 34 per cent, or about 50 per cent on former rates, and we having been on the spot when it took place, went in for

Piles of Goods,

the purchase of one of which would Gobble up the entire resources of many of the so-called Merchants who Blow, Hurrah and Clap their hands before the public.

But we believe that sensation advertisements are played out, and that it is scarcely necessary to inform the public that those who are compelled to buy goods in small lot, and live as it were from hand to mouth, cannot pretend to

COMPETE WITH US!

in proof of which we offer the following:

200 ps full yd wide New York E Sheetings, 30c per yd,
200 ps Portsmouth unbleached factory, ...20c "
500 ps Spring DeLaines, ...25c "
500 ps new Spring DeLaines, ...31½c "
300 Balmoral Skirts, 4 yds wide, 1¼ yds long, $2 50.
100 ps A T Stewart fine print'd French Jaconets, 31½c"

200 Ps Fine French Organdics at 25c per yd,

which were bought under peculiar circumstances, the same quality having been sold at wholesale last week in New York at 44c per yard. None of the above will be sold to neighboring speculators; our legitimate trade alone supplied

Our purchases of nearly a year ago were so enormous that we still

HAVE MANY PACKAGES

of heavy and fine bleached and unbleached Sheetings and Shirtings, Merrimac, Sprague and other Prints, Shirtings, Stripes, Tickings, Denims, Cottonades for Summer wear, &c., &c., all of which we will now open and dispose of at prices which will make the small fry stand aside, and still further add to the Brilliant and Triumphant success which has crowned our efforts for the last fourteen years.

We shall still sell our justly celebrated and superior

HOOP SKIRTS

at old prices. Our stock of

Hosiery, Gloves & Embroideries

will be found the largest and most comprehensive in the state. Ladies will here find a full line of hand made Tatting all widths, Cotterette a La Eugene. Borbore Imperatrice. Linen Collars, plain and with ruffled, embroidered, colored and mourning trimming.

IN CLOAKINGS AND SACKINGS

We shall exhibit 100 pieces Middlesex and Washington all wool, most desirable shades, plain and mixed. Our stock of all wool, silk warp and domets

FLANNELS

for spring and summer wear is full and well assorted.

SHAWLS! SHAWLS!

We have on the road and will shortly receive Five Hundred of the most fashionable for spring wear.

BLACK SILKS,

New Broom Black Silks, (to be had only of us,) also English Crown, Sumblime and Bischoff do do.

We got so ont from one of the heaviest importers in New York, 600 pieces heavy

GERMAN REPPS,

worth 50c per yard, which to those who buy to keep over, or for immediate wear, we offer as a drive at 25c per yard.

In Our Millinery Department

will be found everything desirable, choice and new, in Bonnets and Flats of the fashionable Eugene, Alexandrina and Alboni styles; 1200 dozen best made of

SHAKER HOODS,

white and colored, all sizes. Ruches, black, white and magpie; new style frames; crown lining; cape lace; fine French flowers, rose buds, &c., &c. The usual liberal inducements to the trade.

OUR CLOTHING STORE

is heavily stocked with all the new and desirable styles of

GENT'S GARMENTS.

We have also a well selected line of Harris, Woodstock and other well known brands of

Fancy Cassimeres,

which, if desired, we shall

MAKE UP TO ORDER

in the first style of fashion.

In conclusion, we cordially invite the public, for its own satisfaction to examine every stock in the city before looking at ours. But we would also caution every purchaser not to invest one dime in Dry Goods before calling at the

GREAT MART,

SIGN OF THE GOLDEN SHEEP,

where they can obtain

Twenty-Five per Cent More

for their money than at any other store.
McKEY & BRO.

N. B.—The highest price paid for foreign and American gold and silver coin and demand notes. Northwestern Railroad stock wanted. Passage certificates to and from Great Britain, Ireland and the continent of Europe, for sale. Also sight drafts for one pound and upwards, for which we hold ourselves individually liable

FLORENCE SEWING MACHINE.

OVER THE POST OFFICE.

THERE is nothing so much sought for by the public as a practical Sewing Machine, one that is

Simple, Strong & Reliable.

One that will run for years without the annoyance of being out of repair; one that is noiseless and swift in motion; also that makes the stitch as you want it, alike on both sides of the fabric; such are the machines of the

FLORENCE SEWING MACHINE COMPANY

Who take pleasure in placing their Machines before the public, and unhesitatingly say they are the best in the world, and openly and publicly challenge machines of any and all manufactures to do as large a range of work as can easily be done on one of these machines. They make

FOUR DIFFERENT STITCHES,

and have all the advantage of a reversible feed motion, which carries the work either way, which, together with making all the four stitches, can be done whilst the machine is in motion; the saving of time in stopping to change the length of stitch, is obviated by this machine

Any correspondence regarding our Machines will be promptly answered. Enclose a Letter Stamp and we will send circular and sample of work by return mail. Address, **F. L. Raynor,**

THE MOVEMENT AGAINST VICKSBURG.

Operations up to the 23d Inst.

Correspondence of the St. Louis Republican.

THREE MILES IN REAR OF VICKSBURG, May 20.

On the 18th the army crossed the Big Black and marched to Vicksburg, Sherman coming in and taking possession of Haines' Bluff, McPherson arriving on the Jackson road, and McClernand advancing towards the close of his march on the road to Baldwin's Ferry.

Yesterday morning Gen. Grant began to "move upon the enemy's works"—a line of redouts, extending from the rear of Haines' Bluff to the Warrenton road, a distance of eight or ten miles. The attack was made with Sherman on the right, McPherson extending from his left to the railroad, and McClernand from the railroad to the extreme left. At daylight our troops moved up, but the action did not begin till about noon, save an occasional shot from our artillery, as it came up in range.

On the left Gen. Osterhaus, having recovered from the confusion, took command again of his division, Gen. Lee being assigned to the command of 1st Brigade.—After a slow fire from our artillery had failed to elicit any reply from the rebel works, our lines slowly advanced until at every point they were in front hardly one thousand yards from the redouts. The ground over which we crossed in this movement was singularly rough, a series of hills and hollows, not high, but steep. As we neared the hostile redouts we found that they commanded every crest and swept every ravine. Yet at 2 o'clock a general assault was ordered. I was on the extreme left at the time, and had an opportunity to observe the movements of Lee's brigade in the advance at that point.

Addressing a few words of cheer to his men, he placed himself in front of the centre of his brigade, and led instead of following them. Arriving on the crest of the hill, he was greeted by a perfect tempest of shot and shell, and while thus gallantly leading his men, he was struck in the face by a bullet and fell, seriously, but, I am glad to say, not dangerously wounded —His brigade dropped behind the crest they had attained, and held their ground there.

About the same success—or want of success—attended the charge along the whole line. We have, up to this time, advanced so closely to the enemy's works that he cannot safely use his guns, and our heavy artillery is being pushed up and planted in such a way that I trust to-morrow will see some good results. Communication is opened to the Yazoo by the way of Haines' Bluff, and supplies now come to us from the upper river.

As I write, the slow and sullen booming of the gunboats, both above and below, shows that they too are joining in the great fight. The situation grows dramatic and solemn, and the end is at hand.

IN REAR OF VICKSBURG, May 21.

The stronghold of the rebel power on the Mississippi is now completely invested by the army of Gen. Grant.

The fragments of the insurgent forces which escaped from the victories of Port Gibson, of Jackson, of Champion or Midway Hills, and of Big Black, have retired within the strong but small circle of defences which surround the city at a distance of about two miles from its heart.—There a stubborn resistance is now being made, the redoubts and rifle-pits giving the rebels an advantage in the way of safety, but none, I think, in the way of moral strength. Presumptively, the advantage is with the attacking party, and especially in this case, where our army, since its bold move from Young's Point, by way of Grand Gulf, has been uniformly and brilliantly successful.

To-day our forces are busy from right to left, over the entire line, in creeping more closely to the formidable works of the enemy. At several points our sharpshooters are so near the redoubts and so well sheltered by the remarkably rough ground, that they totally prevent the enemy from using his guns. They are near enough, too, to indulge in jocose conversation with the rebels in their rifle pits. As to day an Illinois boy cries out:

"Hullo, there, secesh!"

"Hullo."

"Got any liquor in Vicksburg?"

"Plenty."

"Well, we'll come in to night, and take a horn."

At the same time our heavier artillery is being pushed up slowly in such a way as to bear very effectually on the enemy's works. The ground is such that the hills occupied by us are just about as convenient and commanding as those occupied by them. What works they have within the line we are now attacking is not known, but they cannot be extensive, for their present line is quite near the city. If the rebels retire from their present position, they subject the city to destruction.

Below and above Vicksburg our mortar fleet is grumbling and thundering, very slowly but steadily, and we can see the huge shells bursting over the town. A warm place to live in now.

IN REAR OF VICKSBURG, May 22.

To-day a general charge upon the enemy's works was ordered and made, though I cannot yet learn that at any point the works were completely carried. The singularly rough nature of the ground makes it almost impossible to tell what we have to encounter before us, and rapidly fatigues the men. But we advance in this way steadily, and at each charge our sharpshooters obtain a better field for their operations. Our artillery hastens to get a better position, small intrenchments being thrown up to protect it; and thus we have the curious spectacle of hostile redoubts already frowning upon each other, at a distance of but a few hundred yards.

The guns of the rebels reply to our shelling but seldom. They are evidently husbanding their ammunition, for they can now get no further supply. I think that they are short of artillery, too. Their redoubts are constructed for field guns, and within the last three weeks Gen. Grant has captured about seventy of these.

In the mean time, we have a new base of supplies from the Yazoo, through which reinforcements, provisions, ammunition, and heavy guns can be sent as rapidly as we please.

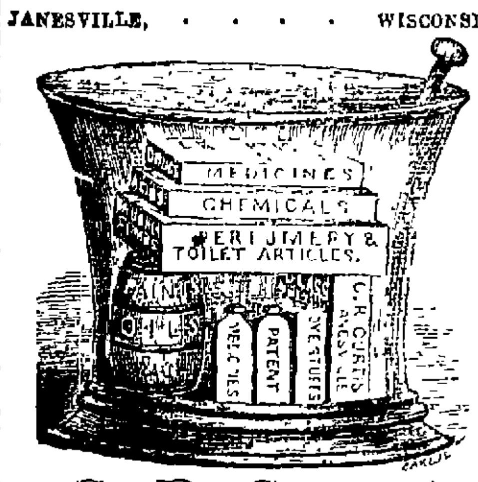

The rebel force within Vicksburg cannot now be more than 20,000. Before the fight at Jackson they may have had 45,000 but part of that number were forced up northward, towards Canton—say 10,000.—At the battle of Midway Hills, (or Champion's Hill,) on the 16th inst., their effective force was perhaps 35,000 men. Of these at least 10,000 were killed, wounded, captured, or driven to escape northward or southward, in such a way as to prevent them from returning to Vicksburg. At the fight on Big Black, on the 17th, we captured nearly 3,000, and scattered many more in such a way that they are more likely to have straggled home through the woods than to have reported for duty.

LATER.—I have arrived at the Yazoo, near Chickasaw Bayou, after riding to the extreme left of our army. Of course rumors are plenty of the operations of to day. One is that our mortars and gunboats have silenced two of the upper batteries, and that vessels now pass Vicksburg without being fired on. Another is, that in the attempted charge of to-day the 31st Illinois got up to the enemy's works, and there found a stockade so high that they could not scale it, and so they stopped and lay down under it, unable to go further, yet protected from the enemy's fire. At this moment a rebel redoubt on the left tried to get a raking fire on them, when the artillery, concentrating its shots upon the redoubt, suddenly battered it to silence, knocking one of its guns some thirty feet into the air.

PUBLIC INSPECTION

Great Mart of McKey & Bro.

WE have taken advantage of the recent unparalleled fall in the price of gold, E. McKey having resided almost exclusively in New York for the past three months, was on hand and

BOUGHT LARGELY

of first class importers, who, under the influence of the panic,

Sacrificed Many Desirable Goods

at 50 cents on the dollar of the prices ruling one week previous. The public is aware that the cause of the great advance in the price of Imported Goods was the the enormous premium on gold, to buy exchange and pay duties; that having declined from 74 to 35 per cent, or about 50 per cent on former rates, and we having been on the spot when it took place, went in for

Piles of Goods,

the purchase of one of which would Gobble up the entire resources of many of the so called Merchants who Blow, Hurrah and Clap their hands before the public.

But we believe that sensation advertisements are played out, and that it is scarcely necessary to inform the public that those who are compelled to buy goods in small lot, and live as it were from hand to mouth, cannot pretend to

NEWSPAPERARCHIVE®

The Daily Gazette.

City of Janesville.

Saturday Evening, May 30, 1863.

Official Paper of the City.

Forever float that standard sheet—
Where breathes the foe but falls before us?
With Freedom's soil beneath our feet,
And Freedom's banner streaming o'er us!

A New Vocation.

The sympathisers with Vallandigham appear to make awkward work in their newly assumed character of defenders of "free speech." This is not surprising, as they are the same fellows who advocated and countenanced, all their political lives, the suppression of the freedom of speech, in the persons of abolitionists, and others whose doctrines were not in accordance with pro-slavery ideas. They did this in time of peace, when there was no public danger, and when there was no excuse for the outrage. It was done to further political objects and increase the power of their party. It cannot be forgotten that in one half of the country there has been no free speech for forty years on a certain subject affecting the interests and conscience of every man in the nation; that newspapers have been habitually thrown out of the United States mails in deference to the demands of state authorities; that a sedition law was proposed to punish those who talk about slavery; that a United States Senator was nearly murdered in his seat for expressing himself too freely on this subject; and that all this has been sustained and justified by the present "shriekers" for free speech. Truly consistency is a rare jewel!

The freedom that these new apostles of liberty demand is not to denounce the enemies of the country, but to impede the constituted authorities in their efforts to save our free institutions, so that liberty of speech may be practicable when the danger is over. They have never advocated free speech at any other time and now do it to save the infernal slave system which is the foe of all liberty of thought and action. When they have accomplished that they will cease to advocate freedom of any kind for any body but slave breeders and their friends.

NOT MUCH LIKE WAR.—The New York Evening Post, of Wednesday, says a large number of vessels are now in that port, with valuable cargoes on board, which can not procure berths to discharge. There is also a great scarcity of laborers, stevedores and others. The number of vessels in port that morning was 172 ships, 186 barks and 133 brigs (total 497), besides a multitude of schooners.

GEN. HUNTER'S TROOPS ON THE LOWER MISSISSIPPI.—The report that Dupont's ironclads and Hunter's troops, from the South Carolina coast, have been sent to co-operate with Banks and Grant on the lower Mississippi, is partially confirmed. A Louisiana correspondent of the New York Times, under date of the 12th inst., says:

"Admiral Porter has destroyed the works at Gordon's Landing. The monitors and bomb-fleet are pounding away at Port Hudson. *Four transports with Hunter's troops are at New Orleans. Others coming.* The drama draws to the last act. May the curtain soon fall."

☞ The copperhead papers bear the enlistment of negroes into the army with a commendable degree of patience, notwithstanding their hostility to the measure some months ago. They have not a word to say against it. Probably the near approach of the draft may explain this reticence. If a sufficient number of "persons of African descent" can be induced to volunteer, copperheads hope not to be called upon. The country would be better served, if this should prove to be true, for a loyal negro is a better man than a traitorous white man, and will defend the country with more zeal and fidelity.

THE FIVE-TWENTY LOAN.—Messrs. Preston, Willard & Kean, subscription agents for the 5-20 loan, at Chicago, are at present receiving currency or drafts on Chicago at ½ per cent discount on subscription to the loan. The immense demand for these bonds surpasses the resources of the government to supply them as fast as they are ordered, and it now takes from ten to twenty days from date of subscription here, to get the bonds. In a few days, however, the department will be able to furnish the bonds with much more promptness.

☞ Gen. Corcoran has been acquitted for killing Col. Kimball. The latter is said to have been all the time inebriated, and had no authority to stop Corcoran. Nevertheless, we think Corcoran might have avoided killing him, if he was known to be habitually in this condition.

☞ The Nashville Union states that the population of Hinds county, Miss., in which Jackson is located, is 31,339, of whom less than 9,000 are free! 22,339 slaves to less than 9,000 freemen!

☞ The cargo of the Great Eastern contains 200 tons of iron plates for the United States government.

A clergyman, finding his people almost frantic with joy at the reception of the news, on the 10th instant, that Richmond was taken, laid aside the manuscript sermon he had prepared, and preached *extempore* from the text, "Rejoice with trembling." The first head was. "Whilst you rejoice in the hope, you may tremble with the fear *that the report is not true!*" Sensible.

Parson Brownlow on the Shooting of Van Dorn.

In a letter from Nashville on the 20th inst., to the Philadelphia Press, Parson Brownlow writes:

I am boarding, for the time being, at the same house with Dr. Peters, the gentleman who recently killed the rebel General Van Dorn. Dr. Peters turns out to be a different man from what I supposed him to be. In other words, he turns out to be a gentleman I know something of. I served with him in the southern commercial convention seven or eight years ago. He, more recently, served in the legislature of Tennessee. He is a very clever gentleman, and is a man of good sense, and, withal, is worth several hundred thousand dollars. He owns the most princely mansion in Maury county, at Spring Hill, where he spends his summers. He owns three plantations in Arkansas, within our lines, and 150 slaves. He is a Union man, and has been all the time, and has been protected by our generals for the last twelve months. He is even now raising a crop of cotton between Helena and Memphis; and I have joined Gov. Cambell and Col. Stokes in procuring for him authority to visit his plantation in Arkansas to look after his interests.

Dr. Peters is a modest, courteous and kind hearted gentleman, in his 44th year, and is about five feet nine inches high.—He commenced life a poor man, and has practiced medicine about twenty years.—He has three children by a first marriage, and two by his present wife. His present wife was a Miss Kissic, a fine looking, very sensible, highly accomplished lady. She performs well upon the piano, harp and violin.

The particulars of her criminal connection with the rebel general I am not able to give, and if I was I am not disposed to go into such details. Suffice it to say that the evidence of criminality, and of the most villainous treatment by the rebel officer, are clear and unquestionable. The black-hearted villain deserved to die the very death he did die, and at the hands of the very man who killed him. The case ought never to come into court; and I take it the doctor will never be inquired of why he shot the miscreant, unless he should unfortunately fall into the hands of the rebels. He has the sympathies and respect of all loyal man in this country.

The doctor performed a painful duty when he shot Van Dorn, but it was one of bold and manly daring, without a parallel since this wicked rebellion was inaugurated. He walked into the rebel general's quarters in open daylight, passing the sentinels, and demanded satisfaction for the injuries done him, while the rebel was surrounded by members of his staff, and while he was seated at his table writing. He rose up, to read to the doctor what he had written, and offered it as satisfaction. The doctor told him that was not satisfaction, whereupon Van Dorn ordered him to leave his room, a d—d cowardly rascal, or he would kick him out. The doctor instantly drew a revolver, and shot his brains out; wheeled upon his heel, passed out through two gates, mounted his horse and rode off some three miles, when he had a heavy pair of black whiskers coming down upon his bosom, shaved close to the face, and a coat of hair flowing down upon his shoulders cut short.

He laid aside a high crowned fashionable hat, and put on a sleek cap, and upon arriving at Shelbyville, he learned that the Right Reverend Major-General Bishop Leonidas Polk had ordered his arrest, and started out some cavalry in search of him, with printed bills describing his person.—He rode several miles with three of the men, passing with them out of town, but he by no means filled the bill! Thus he escaped detection, and reached Nashville in safety.

TAKING REBEL PROPERTY.—Considerable has been said about our soldiers carrying off or destroying the property of the rebels in the march from Grand Gulf to the rear of Vicksburg. Here is a soldier's view of the matter:

The weather here is very warm in the day time, but the nights are cold. Five nights since we left Milliken's Bend, I slept what I did sleep in wet clothes, without blankets. Our blankets were on the wagons, which were fast in the mud, and did not come up. After the battle, I went into a house and simply took a good double blanket. I suppose the copperheads up your way will say I am an "abolition thief." So be it; I am an abolitionist, and if living on these rebels is stealing, I am a thief, for we have been on one-third rations for the last four days. "One-third rations" means just nothing at all; and if we did not forage we would starve, which we don't propose to do in the land of plenty, and traitors own it all.

BY TELEGRAPH.

REPORTED FOR THE DAILY GAZETTE.

BY WISCONSIN STATE TELEGRAPH LINE, Office in Union Passenger Depot

Last Night's Report.

NEW YORK, May 29.

A special from Washington says: From the most trustworthy sources we are informed that the whole rebel force in Virginia does not number 80,000 men, and this statement allows them 20,000 reinforcements received since the battle of Chancellorsville.

A Washington letter to the Commercial says: Although it has been contradicted it is true that the President did receive a dispatch a day or two ago from Gen. Grant, in which he stated that he had intercepted a dispatch from the rebel Secretary of War, not Jeff Davis, as published, to Gen. Pemberton, stating that if he could hold out at Vicksburg 25 days longer he could send him 100,000 men. Gen. Grant adds, this was impossible for two reasons: 1st, that Col. Grierson had so destroyed the railroads in Mississippi that that number of men could not be forwarded in that time; and 2d, that Pemberton could not hold out fifteen days. Gen. Grant was sanguine.

WASHINGTON, May 29.

Special to the Post.—Military men here do not credit the report that rebel bodies are concentrating in unusually large force in Virginia, but believe rather that every soldier who can be spared from Virginia, South Carolina and North Carolina has been sent to relieve Johnston and Pemberton, and if too late to save Vicksburg, to seize some other point on the Mississippi river, or to strengthen Port Hudson so as to make its capture a matter of great difficulty. Gov. Curtin is, however, of a different opinion, and is conferring with Gen. Schenck for the defense of the Pennsylvania border.

NEW YORK, May 29.

The 8th Illinois cavalry in a recent scout down the Peninsula, between the Potomac and Rappahannock, captured 1,250 prisoners, 2,500 contrabands, 800 horses, and broke up four smuggling routes.

WASHINGTON, May 29.

Murfreesboro advices to the 26th state that the movement commenced by a portion of Bragg's army under Breckenridge has become general, and Polk and Hardee have withdrawn their forces in the direction of Vicksburg, though Bragg keeps his headquarters at Shelbyville so as to watch Rosecrans.

A letter dated the 20th states that Col. Burns' division of Bragg's army is actually sent to Mississippi, and Bragg's army is now falling back to the line of the Tennessee.

A Murfreesboro dispatch of the 28th says: Grant at the latest advices was in position before Vicksburg. The rebel accounts of six unsuccessful assaults are exaggerations. They seem to have magnified every reconnoissance into an assault. It seems certain, however, that once since Saturday, Grant did make a pretty general assault and failed to carry the works. Johnston has not yet attacked Grant, but is gathering his force not far away. It was not supposed Pemberton could hold out longer than the 28th under the tremendous fire of Grant's artillery.

Another Murfreesboro dispatch says an order was sent to the camps last night to hold themselves in readiness to march at a moments notice with rations. Reports of formidable demonstrations on our right are not confirmed, but there is probably a rebel force enough in that quarter to keep our troops on the watch.

CAIRO, May 29.

Special to the Chicago Evening Journal. The steamer Rocket arrived this morning with Adjutant General Thomas on board. He is quite unwell with diarrhea and general prostration, consequent upon his arduous lobors and exposures since he went below.

The report received here last night that a part of Gen. Banks' forces had reached Warrenton, is credited by high military authorities.

It seems there is but one regular line of fortifications around Vicksburg, and that ouside of that are merely rifle-pits and earthworks, which are unimportant as compared with the regular defense. Our forces hold most of the outer works, and are throwing up new defenses. It is highly probable that the place will be taken by regular approaches, and that two or three weeks may be occupied in this work.

It is true, as I stated in my dispatch of the 27th, that Pemberton offered terms of surrender on last Friday, and it is also true that they were refused. Every statement in that dispatch is essentially correct.

CAIRO, May 29.

Special to Chicago Tribune.—By the steamers City of Alton and Liberty No. 2, we have Memphis papers of the 28th.—Their news is not remarkably fresh, but a few points in it possess some general interest. The Bulletin confirms the statement that Grant invests Vicksburg, with his left resting at Walnut Hills, and his right at the lower portion of the city. It also states that our forces have succeeded in taking a portion of the rebel works, and the forts remaining to be taken are very formidable and command the entire town.

Several charges have been made upon them, but with little success. The rebels seem to think their position is impregnable.

The river batteries had been mostly silenced. The same paper also confirms the taking of Yazoo City and the destruction of the rebel navy yard.

From a captain in the 81st Illinois regiment, we learn that Col. A. J. Dollins, of that regiment, lost his life in one of the attacks made by order of Grant upon the rebel works. His regiment also suffered some loss.

The 19th United States regulars went into battle with 200 men, and came out with only 80 men.

Gen. Hovey's loss was also considerable. This came to Memphis by the steamer City of Memphis.

A gentleman just from below on the Liberty No. 2, informs me that five steamers, having on board between 4,000 and 5,000 prisoners (rebel), had arrived at Helena *en route* for the north. They will probably reach Cairo to-morrow.

Adjutant General Thomas, who has been down with the army since the 1st of April, came up on the steamer Rocket this morning. He is ill and confined to his state room, and the surgeon in charge allowed no one to see him. Gen. Thomas has left on the steamer for Louisville on his way home.

Surgeon J. H. Taggart has been ordered to report at Memphis immediately. He has for three years been connected with the hospital at this point, and won the esteem of all having business in that direction.—He will take charge of the Adams' Block General Hospital, Memphis, and perhaps move afterwards to the front. He will be relieved by Surgeon Derby, late of Columbus.

By Jewett Wilcox, clerk of the steamer Herrman, I learn the following: Our army occupies the same position it did on last Friday. Sherman is on the right, two miles from Haines' Bluff; McClernand one and a half miles from the Court House, in the centre; McPherson at the lower end of Vicksburg. No fight since Sunday. This is the latest news up to Tuesday night, received per steamer Pike at Memphis last evening.

DESMOINES, May 29.

Dispatches have been received from the commander at Fort Randall, calling for immediate reinforcements to meet the threatened Indian troubles. He states that several Bute Sioux Indians have pitched their camps within the grounds of the fort, and insolently defy the troops to remove them. A division of the Iowa 6th cavalry, under Lieutenant Colonel Pollock, were ordered to march at once to the fort, and have left Camp Cook for that purpose.

WASHINGTON, May 29.

Special to the Chicago Tribune.—Little credit is given here to sensation advices about a movement of Lee's army having begun. Gen. Sickles, now here on his way to the sea shore to recruit his impaired health, says no such impression prevailed last night in the army, in circles most likely to be well informed.

Brig. Gen. Kirby, of New York, died here to-day of wounds received at Chancellorsville. He was a young officer in the first regular artillery, appointed to a Brig. Generalship for brilliant bravery last fall.

The receipts from the Internal Revenue amount to nearly $345,000.

A refugee from Richmond arrived here to-day, who says that it is generally believed in Richmond that Lee's army, in the battle of Chancellorsville, numbered 175,000 fighting men.

Great scarcity of provisions exists in Richmond, and would have been greater, but for the arrival of bacon seized by Gen. Longstreet in North Carolina.

Schuyler Colfax has received letters from officers of Straight's brigade, captured by Forrest in Georgia, with entirely different statements as to their capture, from those published in the rebel papers. They defeated Forrest three times, captured two pieces of artillery, killed 100, wounded 200, and took many prisoners. They lost, themselves about 60 in killed and wounded; and finally, as 250 of their men had gone 25 miles in advance, the remaining 1,000 surrendered to 2,700 rebels. The officers were to retain their colors, side arms and moneys. The privates were to retain all except arms, but they were finally stripped of their blankets and clothing, and even pen knives, combs, &c.

There are good reasons for believing that instead of commencing an aggressive movement, Lee is really gradually moving considerable portions of his army southward, and that this fact is known at our headquarters.

J. M. Broadhead, of this city, formerly of New Hampshire, has been appointed 2d comptroller of the treasury, vice James M. Cutts, deceased. He filled a similar position under Taylor and Pierce.

Rear Admiral Foote remarked incidentally, this evening, at a meeting connected with the relief association, that he expected soon to enter active service again. It is understood that he is likely to be assigned to duty on the South Atlantic coast.

WASHINGTON, May 29.

An official dispatch to the war department, received to-day from Gen. Ellet, commanding the ram fleet, dated Helena, Ark., May 25, says:

As my command was descending the river from Memphis, May 23d, the commissary and quartermaster boat was fired into from the river side by a band of the enemy, with two pieces of artillery, about six miles above Austria. I returned yesterday, and landed my force. The enemy had a few hours before my arrival captured a small trading steamer and burned her, taking her crew captives and appropriating her freights.

I could obtain no intelligence from the inhabitants by which to guide my movements. My cavalry, under Major Hubbard, two hundred strong, came up with the enemy, 1,000 strong, all mounted, and eight miles out. The fight lasted near two hours; the major was compelled to take shelter in a fovorable position, where he succeeded in repulsing the enemy, and drove them off before the infantry could come to his relief. Our loss was two killed and nineteen wounded, most of them slightly. The enemy left five dead upon the field, and one lieutenant mortally wounded, and twenty-two stand of arms. We captured three prisoners.

I burned the town of Austria, having first searched every building.

As the fire progressed the discharge of loaded fire arms was like volleys of musketry, and the fire reached their hiding places two heavy explosions of powder also occurred,

WASHINGTON, May 29.

Four thousand five hundred rebel prisoners, captured by General Grant, arrived at Memphis to-day.

Dispatches from Gen. Grant, dated near Vicksburg, May 25th, have been received at the war department to-day. They represent the siege of Vicksburg as progressing satisfactorily, and that Gen. Grant is abundantly able to maintain his investment of the town and repel any attack upon his rear,

To-Day's Report.

[Reported Exclusively for the Daily Gazette.]

MORNING DISPATCHES.

WASHINGTON, May 29.

Special to N. Y. Tribune.—Your correspondent with the army of the Potomac says that the statements that Gen. Lee had issued an order congratulating his troops on their victories and indicating an intention to invade Maryland, are little more than inventions of sensation correspondents, there being no foundation for them, unless it be reports from deserters, on which no reliance can be placed.

The Star of this evening also says that no such impression existed last evening among those necessarily best informed in the army of the Potomac.

Gen. Schenck and Gov. Curtin had a long interview with the President to-day. It is said that they seriously apprehend an invason of Maryland or Pennsylvania.

The fact that Gen. Rosecrans began to move upwards of a week ago, tends to confirm the report that Bragg is falling back from his front.

Herald's special.—Private advices from Gauly, Va., state that warm work is expected in that region before long, as the enemy has of late been making demonstrations which indicate that they are bent on mischief.

Twelve thousand rebels have crossed the Blackwater, and it is feared that Beauregard's forces are to be brought up from Charleston and an active campaign in this direction inaugurated by the rebels to offset their Vicksburg disaster.

Major Gen. W. B. Franklin has consented to the use of his name as the candidate of the democratic party for governor of Pennsylvania, provided convention adopt an unmistakable war platform.

HEADQUARTERS ARMY OF THE POTOMAC, May 29.

Yesterday a successful balloon reconoissance was made by Capt. Paine. No indications of a movement were discovered though it is still believed that a portion of their forces have passed up the Rappahannock. No communication is allowed between pickets and intelligence from the other side is very meager. All quiet on the Rappahannock.

WASHINGTON, May 29.

Times' special.—J. W. Brodhead has been appointed second comptroller treasury, vice Jas. M. Cutts deceased.

NEW YORK, May 30.

The Tribune says, at two o'clock this morning our Washington correspondent telegraphed facts of situation at Vicksburg, thus summed up by high authority: Grant has, step by step, driven the rebels into their interior entrenchments turning the others against them. They, however, have troops to relieve each other as often as may be desired in defending the line of their works, but he is continuing without serious if any molestation from Johnston so far as to assail successfully but gradually, in order to take as much care as he should take of the lives of his troops engaged in the desperate fighting of such a seige.

Times says there is no prospect that anything will be attempted in the department of the South this season. Orders have been sent there to give furloughs to five per cent of the men and these instructions are to be carried out forthwith.

AFTERNOON DISPATCHES.

Hanging at Atchison.

From the Leavenworth Conservative.

ATCHISON, May 23.

Two men, named Mooney and Brewer, were hung here to-day, for attempting to rob a man about fifteen miles northeast of here, Saturday night. Not succeeding in accomplishing their purpose, they attempted to kill his wife and hang a small boy, and three times severely beat an old man, trying to make him tell where a large sum of money he had received in Leavenworth the day before was. The robbers were all arrested, four hung, and two lodged in jail.

At 9 o'clock, a. m., to-day, about 200 mounted men, and three times that number in wagons, came to town from the surrounding country. The town was crowded. At half-past 11, about 100 persons went to the court house, where the prisoners were being tried by a jury of twelve. No persons were admitted besides the prisoners, witnesses and jury. The jury brought in a verdict of guilty. The prisoners were then taken through the town to a place about half a mile from the town, and told to prepare for death.

One met his death with stolid indifference, the other praying from the time of arrival at the grounds until he was executed.

There was but little excitement. The people were determined, and when the men were dead, all returned to their homes quietly, and seemingly satisfied.

IRON-CLAD BREASTWORKS.—While the search was being made of the passengers on the Central train, on Wednesday evening, a soldier noticed that a lady's dress appeared more full-breasted than it ought to have naturally been, and his quick eye also detected the fact that the artificial contents of the lady's bosom were pressed out against the folds of the dress, so as to make it almost certain that pistols were there. He was a very polite soldier, and in the most gentlemanly manner approached the lady and said: "Madam, I want those revolvers." She replied, very indignantly: "Sir, I am a respectable woman, and have no revolvers." The soldier again said, very coolly: "Madam, I wish you to give me those revolvers," and pointed to her bosom. She again denied that she had any. Without further questioning, the soldier, in the discharge of his duty, thrust his hands into the place of concealment, and drew out a revolver, and kept on repeating the operation until seven were captured. Then gathering up the pistols, he politely remarked to the lady: "Madam, your breastworks seem to be iron-clad."—*Indianapolis Journal.*

A GOOD APPOINTMENT.—S. J. M. Putnam, provost marshal for this district, has established his office at Janesville, and installed as his chief clerk Horace R. Hobart, of this city. This is an excellent selection, Mr. Hobart being peculiarly fitted for the duties that will devolve upon him. Thoroughly educated, an excellent accountant and bookkeeper, and of a pleasing and gentlemanly address, he is just the man for the place.

The appointment was made, we believe, in pursuance of the intention of the government to employ disabled soldiers, Mr. Hobart being one of that class, having never recovered from his wound received in Missouri.—*Beloit Journal.*

City of Janesville.

Saturday Evening, May 30, 1863.

Official Paper of the City.

Forever float that standard sheet—
Where breathes the foe but falls before us?
With Freedom's soil beneath our feet,
And Freedom's banner streaming o'er us!

A New Vocation.

The sympathisers with Vallandigham appear to make awkward work in their newly assumed character of defenders of "free speech." This is not surprising, as they are the same fellows who advocated and countenanced, all their political lives, the suppression of the freedom of speech, in the persons of abolitionists, and others whose doctrines were not in accordance with pro-slavery ideas. They did this in time of peace, when there was no public danger, and when there was no excuse for the outrage. It was done to further political objects and increase the power of their party. It cannot be forgotten that in one half of the country there has been no free speech for forty years on a certain subject affecting the interests and conscience of every man in the nation; that newspapers have been habitually thrown out of the United States mails in deference to the demands of state authorities; that a sedition law was proposed to punish those who talk about slavery; that a United States Senator was nearly murdered in his seat for expressing himself too freely on this subject; and that all this has been sustained and justified by the present "shriekers" for free speech. Truly consistency is a rare jewel!

The freedom that these new apostles of liberty demand is not to denounce the enemies of the country, but to impede the constituted authorities in their efforts to save our free institutions, so that liberty of speech may be practicable when the danger is over. They have never advocated free speech at any other time and now do it to save the infernal slave system which is the foe of all liberty of thought and action. When they have accomplished that they will cease to advocate freedom of any kind for any body but slave breeders and their friends.

NOT MUCH LIKE WAR.—The New York Evening Post, of Wednesday, says a large number of vessels are now in that port, with valuable cargoes on board, which can not procure berths to discharge. There is also a great scarcity of laborers, stevedores and others. The number of vessels in port that morning was 172 ships, 186 barks and 133 brigs (total 497), besides a multitude of schooners.

GEN. HUNTER'S TROOPS ON THE LOWER MISSISSIPPI.—The report that Dupont's ironclads and Hunter's troops, from the South Carolina coast, have been sent to co-operate with Banks and Grant on the lower Mississippi, is partaially confirmed. A Louisiana correspondent of the New York Times, under date of the 12th inst., says:

"Admiral Porter has destroyed the works at Gordon's Landing. The monitors and bomb-fleet are pounding away at Port Hudson. *Four transports with Hunter's troops are at New Orleans. Others coming.* The drama draws to the last act. May the curtain soon fall."

☞ The copperhead papers bear the enlistment of negroes into the army with a commendable degree of patience, notwithstanding their hostility to the measure some months ago. They have not a word to say against it. Probably the near approach of the draft may explain this reticence. If a sufficient number of "persons of African descent" can be induced to volunteer, copperheads hope not to be called upon. The country would be better served, if this should prove to be true, for a loyal negro is a better man than a traitorous white man, and will defend the country with more zeal and fidelity.

THE FIVE-TWENTY LOAN.—Messrs. Preston, Willard & Kean, subscription agents for the 5-20 loan, at Chicago, are at present receiving currency or drafts on Chicago at ⅛ per cent discount on subscription to the loan. The immense demand for these bonds surpasses the resources of the government to supply them as fast as they are ordered, and it now takes from ten to twenty days from date of subscription here, to get the bonds. In a few days, however, the department will be able to furnish the bonds with much more promptness.

☞ Gen. Corcoran has been acquitted for killing Col. Kimball. The latter is said to have been all the time inebriated, and had no authority to stop Corcoran. Nevertheless, we think Corcoran might have avoided killing him, if he was known to be habitually in this condition.

☞ The Nashville Union states that the population of Hinds county, Miss., in which Jackson is located, is 31,339, of whom less than 9,000 are free! 22,339 slaves to less than 9,000 freemen!

☞ The cargo of the Great Eastern contains 200 tons of iron plates for the United States government.

A clergyman, finding his people almost frantic with joy at the reception of the news, on the 10th instant, that Richmond was taken, laid aside the manuscript sermon he had prepared, and preached *extempore* from the text, "Rejoice with trembling." The first head was, "Whilst you rejoice in the hope, you may tremble with the fear *that the report is not true!*" Sensible.

Parson Brownlow on the Shooting of Van Dorn.

In a letter from Nashville on the 20th inst., to the Philadelphia Press, Parson Brownlow writes:

I am boarding, for the time being, at the same house with Dr. Peters, the gentleman who recently killed the rebel General Van Dorn. Dr. Peters turns out to be a different man from what I supposed him to be. In other words, he turns out to be a gentleman I know something of. I served with him in the southern commercial convention seven or eight years ago. He, more recently, served in the legislature of Tennessee. He is a very clever gentleman, and is a man of good sense, and, withal, is worth several hundred thousand dollars. He owns the most princely mansion in Maury county, at Spring Hill, where he spends his summers. He owns three plantations in Arkansas, within our lines, and 150 slaves. He is a Union man, and has been all the time, and has been protected by our generals for the last twelve months. He is even now raising a crop of cotton between Helena and Memphis; and I have joined Gov. Cambell and Col. Stokes in procuring for him authority to visit his plantation in Arkansas to look after his interests.

Dr. Peters is a modest, courteous and kind hearted gentleman, in his 44th year, and is about five feet nine inches high.—He commenced life a poor man, and has practiced medicine about twenty years.—He has three children by a first marriage, and two by his present wife. His present wife was a Miss Kissic, a fine looking, very sensible, highly accomplished lady. She performs well upon the piano, harp and violin.

The particulars of her criminal connection with the rebel general e am not able to give, and if I was I am not disposed to go into such details. Suffice it to say that the evidence of criminality, and of the most villainous treatment by the rebel officer, are clear and unquestionable. The black-hearted villain deserved to die the very death he did die, and at the hands of the very man who killed him. The case ought never to come into court; and I take it the doctor will never be inquired of why he shot the miscreant, unless he should unfortunately fall into the hands of the rebels. He has the sympathies and respect of all loyal man in this country.

The doctor performed a painful duty when he shot Van Dorn, but it was one of bold and manly daring, without a parallel since this wicked rebellion was inaugurated. He walked into the rebel general's quarters in open daylight, passing the sentinels, and demanded satisfaction for the injuries done him, while the rebel was surrounded by members of his staff, and while he was seated at his table writing. He rose up, to read to the doctor what he had written, and offered it as satisfaction. The doctor told him that was not satisfaction, whereupon Van Dorn ordered him to leave his room, a d—d cowardly rascal, or he would kick him out. The doctor instantly drew a revolver, and shot his brains out; wheeled upon his heel, passed out through two gates, mounted his horse and rode off some three miles, when he had a heavy pair of black whiskers coming down upon his bosom, shaved close to the face, and a coat of hair flowing down upon his shoulders cut short.

He laid aside a high crowned fashionable hat, and put on a sleek cap, and upon arriving at Shelbyville, he learned that the Right Reverend Major-General Bishop Leonidas Polk had ordered his arrest, and started out some cavalry in search of him, with printed bills describing his person.—He rode several miles with three of the men, passing with them out of town, but he by no means filled the bill! Thus he escaped detection, and reached Nashville n safety.

TAKING REBEL PROPERTY.—Considerable has been said about our soldiers carrying off or destroying the property of the rebels in the march from Grand Gulf to the rear of Vicksburg. Here is a soldier's view of the matter:

The weather here is very warm in the day time, but the nights are cold. Five nights since we left Milliken's Bend, I slept what I did sleep in wet clothes, without blankets. Our blankets were on the wagons, which were fast in the mud, and did not come up. After the battle, I went into a house and simply took a good double blanket. I suppose the copperheads up your way will say I am an "abolition thief." So be it; I am an abolitionist, and if living on these rebels is stealing, I am a thief, for we have been on one-third rations for the last four days. "One-third rations" means just nothing at all; and if we did not forage we would starve, which we don't propose to do in the land of plenty, and traitors own it all.

BY TELEGRAPH.

REPORTED FOR THE DAILY GAZETTE.

BY WISCONSIN STATE TELEGRAPH LINE, Office in Union Passenger Depot

Last Night's Report.

NEW YORK, May 29.

A special from Washington says: From the most trustworthy sources we are informed that the whole rebel force in Virginia does not number 80,000 men, and this statement allows them 20,000 reinforcements received since the battle of Chancellorsville.

A Washington letter to the Commercial says: Although it has been contradicted it is true that the President did receive a dispatch a day or two ago from Gen. Grant, in which he stated that he had intercepted a dispatch from the rebel Secretary of War, not Jeff Davis, as published, to Gen. Pemberton, stating that if he could hold out at Vicksburg 25 days longer he could send him 100,000 men. Gen. Grant adds, this was impossible for two reasons: 1st, that Col. Grierson had so destroyed the railroads in Mississippi that that number of men could not be forwarded in that time; and 2d, that Pemberton could not hold out fifteen days. Gen. Grant was sanguine.

WASHINGTON, May 29.

Special to the Post.—Military men here do not credit the report that rebel bodies are concentrating in unusually large force in Virginia, but believe rather that every soldier who can be spared from Virginia, South Carolina and North Carolina has been sent to relieve Johnston and Pemberton, and if too late to save Vicksburg, to seize some other point on the Mississippi river, or to strengthen Port Hudson so as to make its capture a matter of great difficulty. Gov. Curtin is, however, of a different opinion, and is conferring with Gen. Schenck for the defense of the Pennsylvania border.

NEW YORK, May 29.

The 8th Illinois cavalry in a recent scout down the Peninsula, between the Potomac and Rappahannock, captured 1,250 prisoners, 2,500 contrabands, 800 horses, and broke up four smuggling routes.

WASHINGTON, May 29.

Murfreesboro advices to the 26th state that the movement commenced by a portion of Bragg's army under Breckenridge has become general, and Polk and Hardee have withdrawn their forces in the direction of Vicksburg, though Bragg keeps his headquarters at Shelbyville so as to watch Rosecrans.

A letter dated the 20th states that Col. Burns' division of Bragg's army is actually sent to Mississippi, and Bragg's army is now falling back to the line of the Tennessee.

A Murfreesboro dispatch of the 28th says: Grant at the latest advices was in position before Vicksburg. The rebel accounts of six unsuccessful assaults are exaggerations. They seem to have magnified every reconnoissance into an assault. It seems certain, however, that once since Saturday, Grant did make a pretty general assault and failed to carry the works. Johnston has not yet attacked Grant, but is gathering his force not far away. It was not supposed Pemberton could hold out longer than the 28th under the tremendous fire of Grant's artillery.

Another Murfreesboro dispatch says an order was sent to the camps last night to hold themselves in readiness to march at a moments notice with rations. Reports of formidable demonstrations on our right are not confirmed, but there is probably a rebel force enough in that quarter to keep our troops on the watch.

CAIRO, May 29.

Special to the Chicago Evening Journal. The steamer Rocket arrived this morning with Adjutant General Thomas on board. He is quite unwell with diarrhea and general prostration, consequent upon his arduous lobors and exposures since he went below.

The report received here last night that a part of Gen. Banks' forces had reached Warrenton, is credited by high military authorities.

It seems there is but one regular line of fortifications around Vicksburg, and that ouside of that are merely rifle-pits and earthworks, which are unimportant as compared with the regular defense. Our forces hold most of the outer works, and are throwing up new defenses. It is highly probable that the place will be taken by regular approaches, and that two or three weeks may be occupied in this work.

It is true, as I stated in my dispatch of the 27th, that Pemberton offered terms of surrender on last Friday, and it is also true that they were refused. Every statement in that dispatch is essentially correct.

CAIRO, May 29.

Special to Chicago Tribune.—By the steamers City of Alton and Liberty No. 2, we have Memphis papers of the 28th.—Their news is not remarkably fresh, but a few points in it possess some general interest. The Bulletin confirms the statement that Grant invests Vicksburg, with his left resting at Walnut Hills, and his right at the lower portion of the city. It also states that our forces have succeeded in taking a portion of the rebel works, and the forts remaining to be taken are very formidable and command the entire town.

Several charges have been made upon them, but with little success. The rebels seem to think their position is impregnable.

The river batteries had been mostly silenced. The same paper also confirms the taking of Yazoo City and the destruction of the rebel navy yard.

From a captain in the 81st Illinois regiment, we learn that Col. A. J. Dollins, of that regiment, lost his life in one of the attacks made by order of Grant upon the rebel works. His regiment also suffered some loss.

The 19th United States regulars went into battle with 200 men, and came out with only 80 men.

Gen. Hovey's loss was also considerable. This came to Memphis by the steamer City of Memphis.

A gentleman just from below on the Liberty No. 2, informs me that five steamers, having on board between 4,000 and 5,000 prisoners (rebel), had arrived at Helena *en route* for the north. They will probably reach Cairo to-morrow.

Adjutant General Thomas, who has been down with the army since the 1st of April, came up on the steamer Rocket this morning. He is ill and confined to his state room, and the surgeon in charge allowed no one to see him. Gen. Thomas has left on the steamer for Louisville on his way home.

Surgeon J. H. Taggart has been ordered to report at Memphis immediately. He has for three years been connected with the hospital at this point, and won the esteem of all having business in that direction.—He will take charge of the Adams' Block General Hospital, Memphis, and perhaps move afterwards to the front. He will be relieved by Surgeon Derby, late of Columbus.

By Jewett Wilcox, clerk of the steamer Herrman, I learn the following: Our army occupies the same position it did on last Friday. Sherman is on the right, two miles from Haines' Bluff; McClernand one and a half miles from the Court House, in the centre; McPherson at the lower end of Vicksburg. No fight since Sunday. This is the latest news up to Tuesday night, received per steamer Pike at Memphis last evening.

DESMOINES, May 29.

Dispatches have been received from the commander at Fort Randall, calling for immediate reinforcements to meet the threatened Indian troubles. He states that several Bute Sioux Indians have pitched their camps within the grounds of the fort, and insolently defy the troops to remove them. A division of the Iowa 6th cavalry, under Lieutenant Colonel Pollock, were ordered to march at once to the fort, and have left Camp Cook for that purpose.

WASHINGTON, May 29.

Special to the Chicago Tribune.—Little credit is given here to sensation advices about a movement of Lee's army having begun. Gen. Sickles, now here on his way to the sea shore to recruit his impaired health, says no such impression prevailed last night in the army, in circles most likely to be well informed.

Brig. Gen. Kirby, of New York, died here to-day of wounds received at Chancellorsville. He was a young officer in the first regular artillery, appointed to a Brig. Generalship for brilliant bravery last fall.

The receipts from the Internal Revenue amount to nearly $345,000.

A refugee from Richmond arrived here to-day, who says that it is generally believed in Richmond that Lee's army, in the battle of Chancellorsville, numbered 175,000 fighting men.

Great scarcity of provisions exists in Richmond, and would have been greater, but for the arrival of bacon seized by Gen. Longstreet in North Carolina.

Schuyler Colfax has received letters from officers of Straight's brigade, captured by Forrest in Georgia, with entirely different statements as to their capture, from those published in the rebel papers. They defeated Forrest three times, captured two pieces of artillery, killed 100, wounded 200, and took many prisoners. They lost, themselves about 60 in killed and wounded; and finally, as 250 of their men had gone 25 miles in advance, the remaining 1,000 surrendered to 2,700 rebels. The officers were to retain their colors, side arms and moneys. The privates were to retain all except arms, but they were finally stripped of their blankets and clothing, and even pen knives, combs, &c.

There are good reasons for believing that instead of commencing an aggressive movement, Lee is really gradually moving considerable portions of his army southward, and that this fact is known at our headquarters.

J. M. Broadhead, of this city, formerly of New Hampshire, has been appointed 2d comptroller of the treasury, vice James M. Cutts, deceased. He filled a similar position under Taylor and Pierce.

Rear Admiral Foote remarked incidentally, this evening, at a meeting connected with the relief association, that he expected soon to enter active service again. It is understood that he is likely to be assigned to duty on the South Atlantic coast.

WASHINGTON, May 29.

An official dispatch to the war department, received to-day from Gen. Ellet, commanding the ram fleet, dated Helena, Ark., May 25, says:

As my command was descending the river from Memphis, May 23d, the commissary and quartermaster boat was fired into from the river side by a band of the enemy, with two pieces of artillery, about six miles above Austria. I returned yesterday, and landed my force. The enemy had a few hours before my arrival captured a small trading steamer and burned her, taking her crew captives and appropriating her freights.

I could obtain no intelligence from the inhabitants by which to guide my movements. My cavalry, under Major Hubbard, two hundred strong, came up with the enemy, 1,000 strong, all mounted, and eight miles out. The fight lasted near two hours; the major was compelled to take shelter in a fovorable position, where he succeeded in repulsing the enemy, and drove them off before the infantry could come to his relief. Our loss was two killed and nineteen wounded, most of them slightly. The enemy left five dead upon the field, and one lieutenant mortally wounded, and twenty-two stand of arms. We captured three prisoners.

I burned the town of Austria, having first searched every building.

As the fire progressed the discharge of loaded fire arms was like volleys of musketry, and the fire reached their hiding places two heavy explosions of powder also occurred,

WASHINGTON, May 29.

Four thousand five hundred rebel prisoners, captured by General Grant, arrived at Memphis to-day.

Dispatches from Gen. Grant, dated near Vicksburg, May 25th, have been received at the war department to-day. They represent the siege of Vicksburg as progressing satisfactorily, and that Gen. Grant is abundantly able to maintain his investment of the town and repel any attack upon his rear,

To-Day's Report.

[Reported Exclusively for the Daily Gazette.],

MORNING DISPATCHES.

WASHINGTON, May 29.

Special to N. Y. Tribune.—Your correspondent with the army of the Potomac says that the statements that Gen. Lee had issued an order congratulating his troops on their victories and indicating an intention to invade Maryland, are little more than inventions of sensation correspondents, there being no foundation for them, unless it be reports from deserters, on which no reliance can be placed.

The Star of this evening also says that no such impression existed last evening among those necessarily best informed in the army of the Potomac.

Gen. Schenck and Gov. Curtin had a long interview with the President to-day. It is said that they seriously apprehend an invason of Maryland or Pennsylvania.

The fact that Gen. Rosecrans began to move upwards of a week ago, tends to confirm the report that Bragg is falling back from his front.

Herald's special.—Private advices from Gauly, Va., state that warm work is expected in that region before long, as the enemy has of late been making demonstrations which indicate that they are bent on mischief.

Twelve thousand rebels have crossed the Blackwater, and it is feared that Beauregard's forces are to be brought up from Charleston and an active campaign in this direction inaugurated by the rebels to offset their Vicksburg disaster,

Major Gen. W. B. Franklin has consented to the use of his name as the candidate of the democratic party for governor of Pennsylvania, provided convention adopt an unmistakable war platform.

HEADQUARTERS ARMY OF THE POTOMAC, May 29.

Yesterday a successful balloon reconoisance was made by Capt. Paine. No indications of a movement were discovered though it is still believed that a portion of their forces have passed up the Rappahannock. No communication is allowed between pickets and intelligence from the other side is very meager. All quiet on the Rappahannock.

WASHINGTON, May 29.

Times' special.—J. W. Brodhead has been appointed second comptroller treasury, vice Jas. M. Cutts deceased.

NEW YORK, May 30.

The Tribune says, at two o'clock this morning our Washington correspondent telegraphed facts of situation at Vicksburg, thus summed up by high authority: Grant has, step by step, driven the rebels into their interior entrenchments turning the others against them. They, however, have troops to relieve each other as often as may be desired in defending the line of their works, but he is continuing without serious if any molestation from Johnston so far as to assail successfully but gradually, in order to take as much care as he should take of the lives of his troops engaged in the desperate fighting of such a seige.

Times says there is no prospect that anything will be attempted in the department of the South this season. Orders have been sent there to give furloughs to five per cent of the men and these instructions are to be carried out forthwith.

AFTERNOON DISPATCHES.

☞ No report.

Hanging at Atchison.

From the Leavenworth Conservative.

ATCHISON, May 23.

Two men, named Mooney and Brewer, were hung here to-day, for attempting to rob a man about fifteen miles northeast of here, Saturday night. Not succeeding in accomplishing their purpose, they attempted to kill his wife and hang a small boy, and three times severely beat an old man, trying to make him tell where a large sum of money he had received in Leavenworth the day before was. The robbers were all arrested, four hung, and two lodged in jail.

At 9 o'clock, a. m., to-day, about 200 mounted men, and three times that number in wagons, came to town from the surrounding country. The town was crowded. At half-past 11, about 100 persons went to the court house, where the prisoners were being tried by a jury of twelve. No persons were admitted besides the prisoners, witnesses and jury. The jury brought in a verdict of guilty. The prisoners were then taken through the town to a place about half a mile from the town, and told to prepare for death.

One met his death with stolid indifference, the other praying from the time of arrival at the grounds until he was executed.

There was but little excitement. The people were determined, and when the men were dead, all returned to their homes quietly, and seemingly satisfied.

IRON-CLAD BREASTWORKS.— While the search was being made of the passengers on the Central train, on Wednesday evening, a soldier noticed that a lady's dress appeared more full-breasted than it ought to have naturally been, and his quick eye also detected the fact that the artificial contents of the lady's bosom were pressed out against the folds of the dress, so as to make it almost certain that pistols were there. He was a very polite soldier, and in the most gentlemanly manner approached the lady and said: "Madam, I want those revolvers." She replied, very indignantly: "Sir, I am a respectable woman, and have no revolvers." The soldier again said, very coolly: "Madam, I wish you to give me those revolvers," and pointed to her bosom. She again denied that she had any. Without further questioning, the soldier, in the discharge of his duty, thrust his hands into the place of concealment, and drew out a revolver, and kept on repeating the operation until seven were captured. Then gathering up the pistols, he politely remarked to the lady: "Madam, your breastworks seem to be iron-clad."—*Indianapolis Journal.*

A GOOD APPOINTMENT.—S. J. M. Putnam, provost marshal for this district, has established his office at Janesville, and installed as his chief clerk Horace R. Hobart, of this city. This is an excellent selection, Mr. Hobart being peculiarly fitted for the duties that will devolve upon him. Thoroughly educated, an excellent accountant and bookkeeper, and of a pleasing and gentlemanly address, he is just the man for the place.

The appointment was made, we believe, in pursuance of the intention of the government to employ disabled soldiers, Mr. Hobart being one of that class, having never recovered from his wound received in Missouri.—*Beloit Journal.*

Sanitary Supplies.

There is yet a pressing necessity that the people everywhere should exert themselves to send forward hospital supplies for our sick and wounded soldiers at Vicksburg. Money can be used to advantage in purchasing supplies. Those who have articles needed should give freely, and those who have not can donate money. There is immediate want for these things. No time should be lost in consultation, but each one come forward and give what can be spared for this noble and benificent object.

We would suggest to the clergy of the city to take up contributions in their churches, to-morrow, or in some way bring the subject before their congregations.—Time is passing, battles are being fought, and many of our brave boys are suffering. Let us give them quickly all the aid we can.

☞ Rev. Mr. Goodspeed has returned and will preach in his pulpit to-morrow, morning and evening.

☞ The attendance at the concert of the pupils of the Blind Institute was not quite what it should have been last evening, considering the occasion. The music was very good and gave good satisfaction. Many of the pieces were encored.

FOUND.—Two blankets have been left at this office, the owner can have the same by proving property and paying for this notice.

☞ The dwelling house of Samuel Church, at Afton, was struck by lightning on the night of the 27th. The electric fluid came down the chimney and passed within a few feet of the bed where the family were sleeping, but fortunately no one was injured.

☞ Persons attending the Universalist State Convention, at Oshkosh, June 3d and 4th, can go at half the usual rates of fare, over the C. & N. R. R.—full fare to the convention, returning free.

FOUND.—On Main street last evening a small amount of money—enquire of E. D. Murdock, at the store of Conrad and Murdock.

☞ Major Martin Flood is appointed lieutenant colonel of the 3d Wisconsin regiment, vice Scott killed in battle. Captain P. H. Hubbard to be major.

☞ Dr. H. W. Causdell has been appointed surgeon of the twenty-second regiment.

SPECIAL MEETING.—A special meeting of the members of Hook and Ladder Co. No. 1, will be held at their house this evening, at half past seven o'clock.

DR. SWEET'S

Infallible Liniment,

THE

GREAT EXTERNAL REMEDY,

FOR RHEUMATISM, GOUT, NEURALGIA, LUMBAGO, STIFF NECK AND JOINTS, SPRAINS, BRUISES, CUTS AND WOUNDS, PILES, HEADACHE, AND ALL RHEUMATIC AND NERVOUS DISORDERS.

For all which it is a speedy and certain remedy, and never fails. The Liniment is prepared from the receipe of Dr. Stephen Sweet, of Connecticut, the famous bone setter, and has been used in his practice for more than twenty years with the most astonishing success.

AS AN ALLEVIATOR OF PAIN, it is unrivaled by any preparation before the public, of which the most skeptical may be convinced by a single trial.

This Liniment will cure rapidly and radically, RHEUMATIC DISORDERS of every kind, and in thousands of cases where it has been used it has never been known to fail.

FOR NEURALGIA, it will afford immediate relief in every case, however distressing.

It will relieve the worst cases of HEADACHE in three minutes and is warranted to do it.

TOOTHACHE also will it cure instantly.

FOR NERVOUS DEBILITY AND GENERAL LASSITUDE arising from imprudence or excess, this Liniment is a most happy and unfailing remedy. Acting directly upon the nervous tissues, it strengthens and revivifies the system, and restores it to elasticity and vigor.

FOR PILES.—As an external remedy, we claim that it is the *best* known, and we challenge the world to produce an equal. Every victim of this distressing complaint should give it a trial, for it will not fail to afford immediate relief, and in a majority of cases will effect a *radical cure.*

QUINSEY AND SORE THROAT are sometimes extremely malignant and dangerous but a timely application of this Liniment will never fail to cure.

SPRAINS are sometimes very obstinate, and enlargement of the joints is liable to occur if neglected. The worst case may be conquered by this Liniment in two or three days

BRUISES, CUTS, WOUNDS, SORES, ULCERS, BURNS AND SCALDS, yield readily to the wonderful healing properties of DR. SWEET'S INFALLIBLE LINIMENT, when used according to directions. Also, CHILBLAINS, FROSTED FEET, AND INSECT BITES AND STINGS

Every Horse Owner

should have this remedy at hand, for its timely use at the first appearance of Lameness will effectually prevent those formidable diseases, to which all horses are liable, and which render so many otherwise valuable horses nearly worthless.

Over four hundred voluntary testimonials to the wonderful curative properties of this Liniment have been received within the last two years, and many of them from persons in the highest ranks of life.

CAUTION.

To avoid imposition, observe the Signature and Likeness of Dr. Stephen Sweet on every label, and also "Stephen Sweet's Infallible Liniment" blown in the glass of each bottle, without which none are genuine.

Sanitary Supplies.

There is yet a pressing necessity that the people everywhere should exert themselves to send forward hospital supplies for our sick and wounded soldiers at Vicksburg. Money can be used to advantage in purchasing supplies. Those who have articles needed should give freely, and those who have not can donate money. There is immediate want for these things. No time should be lost in consultation, but each one come forward and give what can be spared for this noble and benificent object.

We would suggest to the clergy of the city to take up contributions in their churches, to-morrow, or in some way bring the subject before their congregations.—Time is passing, battles are being fought, and many of our brave boys are suffering. Let us give them quickly all the aid we can.

☞ Rev. Mr. Goodspeed has returned and will preach in his pulpit to-morrow, morning and evening.

☞ The attendance at the concert of the pupils of the Blind Institute was not quite what it should have been last evening, considering the occasion. The music was very good and gave good satisfaction. Many of the pieces were encored.

FOUND.—Two blankets have been left at this office, the owner can have the same by proving property and paying for this notice.

☞ The dwelling house of Samuel Church, at Afton, was struck by lightning on the night of the 27th. The electric fluid came down the chimney and passed within a few feet of the bed where the family were sleeping, but fortunately no one was injured.

☞ Persons attending the Universalist State Convention, at Oshkosh, June 3d and 4th, can go at half the usual rates of fare, over the C. & N. R. R.—full fare to the convention, returning free.

FOUND.—On Main street last evening a small amount of money—enquire of E. D. Murdock, at the store of Conrad and Murdock.

☞ Major Martin Flood is appointed lieutenant colonel of the 3d Wisconsin regiment, vice Scott killed in battle. Captain P. H. Hubbard to be major.

☞ Dr. H. W. Causdell has been appointed surgeon of the twenty-second regiment.

SPECIAL MEETING.—A special meeting of the members of Hook and Ladder Co. No. 1, will be held at their house this evening, at half past seven o'clock.

REMOVAL.

WILSON'S MUSIC STORE

removed to store opposite Myers Block,

Two Doors west of the Post Office,

where may be found a good assortment of

Pianos, Melodeons & Harmoniums,

also all the latest popular publications of

SHEET MUSIC,

including a great variety of Patriotic Songs. We keep a large assortment of

MUSICAL MERCHANDISE & INSTRUCTION BOOKS

for every instrument now in use. We have also,

☞ Boodman's Piano Forte Tuning Scale ☜

for tuning Pianos or Melodeons in even temperment. Any person who can tune two strings in unison or octaves can, with this scale, tune a Piano. Its object is to enable those who play the Piano to tune their own instruments.

We would call the attention of all lovers of music to a new instrument which we have just received called the

HARMONIUM,

which bids fair to take the place of the ordinary Melodeon. It has two set of reeds and the power of three common Melodeons. It is inclosed in a strong, neat case of Rosewood or Blackwalnut, and is just the thing for Churches, Lecture Rooms, &c. It is praised by every one that has examined it. Come and see it, two doors west of the Post Office. my22d

promotes its growth, prevents its falling off, eradicate dandruff, and imparts health and pleasantness to the head. It has stood the test of time, being the original Hair Coloring, and is constantly increasing in favor. Used by both gentlemen and ladies. It is sold by all respectable dealers, or can be procured by them of the commercial agent, D. S. Barnes, 202 Broadway, N. Y. Two sizes, 50 cents and $1. oct27d0m2ew

DR. SWEET'S Infallible Liniment,

FOR

GREAT EXTERNAL REMEDY,

FOR RHEUMATISM, GOUT, NEURALGIA, LUMBAGO, STIFF NECK AND JOINTS, SPRAINS, BRUISES, CUTS AND WOUNDS, PILES, HEADACHE, AND ALL RHEUMATIC AND NERVOUS DISORDERS.

For all which it is a speedy and certain remedy, and never fails. The Liniment is prepared from the recipe of Dr. Stephen Sweet, of Connecticut, the famous bone setter, and has been used in his practice for more than twenty years with the most astonishing success.

AS AN ALLEVIATOR OF PAIN, it is unrivaled by any preparation before the public, of which the most skeptical may be convinced by a single trial.

This Liniment will cure rapidly and radically, RHEUMATIC DISORDERS of every kind, and in thousands of cases where it has been used it has never been known to fail.

FOR NEURALGIA, it will afford immediate relief in every case, however distressing.

It will relieve the worst cases of HEADACHE in three minutes and is warranted to do it.

TOOTHACHE also will it cure instantly.

FOR NERVOUS DEBILITY AND GENERAL LASSITUDE arising from imprudence or excess, this Liniment is a most happy and unfailing remedy. Acting directly upon the nervous tissues, it strengthens and quickens the system, and restores it to elasticity and vigor.

FOR PILES—As an external remedy, we claim that it is the *best* known, and we challenge the world to produce an equal. Every victim of this distressing complaint should give it a trial, for it will not fail to afford immediate relief, and in a majority of cases will effect a *radical cure.*

QUINSEY AND SORE THROAT are sometimes extremely malignant and dangerous but a timely application of this Liniment will never fail to cure.

SPRAINS are sometimes very obstinate, and enlargement of the joints is liable to occur if neglected. The worst case may be conquered by this Liniment in two or three days

BRUISES, CUTS, WOUNDS, SORES ULCERS, BURNS AND SCALDS, yield readily to the wonderful healing properties of DR. SWEET'S INFALLIBLE LINIMENT, when used according to directions. Also, CHILBLAINS, FROSTED FEET, AND INSECT BITES AND STINGS

Every Horse Owner

should have this remedy at hand, for its timely use at the first appearance of lameness will effectually prevent those formidable diseases, to which all horses are liable, and which render so many otherwise valuable horses nearly worthless.

Over four hundred voluntary testimonials to the wonderful curative properties of this Liniment have been received within the last two years, and many of them from persons in the highest ranks of life.

CAUTION.

Sanitary Supplies.

There is yet a pressing necessity that the people everywhere should exert themselves to send forward hospital supplies for our sick and wounded soldiers at Vicksburg. Money can be used to advantage in purchasing supplies. Those who have articles needed should give freely, and those who have not can donate money. There is immediate want for these things. No time should be lost in consultation, but each one come forward and give what can be spared for this noble and benificent object.

We would suggest to the clergy of the city to take up contributions in their churches, to-morrow, or in some way bring the subject before their congregations.—Time is passing, battles are being fought, and many of our brave boys are suffering. Let us give them quickly all the aid we can.

☞ Rev. Mr. Goodspeed has returned and will preach in his pulpit to-morrow, morning and evening.

☞ The attendance at the concert of the pupils of the Blind Institute was not quite what it should have been last evening, considering the occasion. The music was very good and gave good satisfaction. Many of the pieces were encored.

FOUND.—Two blankets have been left at this office, the owner can have the same by proving property and paying for this notice.

☞ The dwelling house of Samuel Church, at Afton, was struck by lightning on the night of the 27th. The electric fluid came down the chimney and passed within a few feet of the bed where the family were sleeping, but fortunately no one was injured.

☞ Persons attending the Universalist State Convention, at Oshkosh, June 3d and 4th, can go at half the usual rates of fare, over the C. & N. R. R.—full fare to the convention, returning free.

FOUND.—On Main street last evening a small amount of money—enquire of E. D. Murdock, at the store of Conrad and Murdock.

☞ Major Martin Flood is appointed lieutenant colonel of the 3d Wisconsin regiment, vice Scott killed in battle. Captain P. H. Hubbard to be major.

☞ Dr. H. W. Causdell has been appointed surgeon of the twenty-second regiment.

SPECIAL MEETING.—A special meeting of the members of Hook and Ladder Co. No. 1, will be held at their house this evening, at half past seven o'clock.

We would call the attention of all lovers of music to a new instrument which we have just received called the

HARMONIUM,

which bids fair to take the place of the ordinary Melodeon. It has two set of reeds and the power of three common Melodeons. It is inclosed in a strong, neat case of Rosewood or Blackwalnut, and is just the thing for Churches, Lecture Rooms, &c. It is praised by every one that has examined it. DR. SWEET'S
Infallible Liniment,

THE

GREAT EXTERNAL REMEDY,

FOR RHEUMATISM, GOUT, NEURALGIA, LUMBAGO, STIFF NECK AND JOINTS, SPRAINS, BRUISES, CUTS AND WOUNDS, PILES, HEADACHE, AND ALL RHEUMATIC AND NERVOUS DISORDERS.

For all which it is a speedy and certain remedy, and never fails. The Liniment is prepared from the recipe of Dr. Stephen Sweet, of Connecticut, the famous bone setter, and has been used in his practice for more than twenty years with the most astonishing success.

AS AN ALLEVIATOR OF PAIN, it is unrivaled by any preparation before the public, of which the most skeptical may be convinced by a single trial.

This Liniment will cure rapidly and radically, RHEUMATIC DISORDERS of every kind, and in thousands of cases where it has been used it has never been known to fail.

FOR NEURALGIA, it will afford immediate relief in every case, however distressing.

It will relieve the worst cases of HEADACHE in three minutes and is warranted to do it.

TOOTHACHE also will it cure instantly.

FOR NERVOUS DEBILITY AND GENERAL LASSITUDE arising from imprudence or excess, this Liniment is a most happy and unfailing remedy. Acting directly upon the nervous tissues, it strengthens and revivifies the system, and restores it to elasticity and vigor.

FOR PILES.—As an external remedy, we claim that it is the *best known*, and we challenge the world to produce an equal. Every victim of this distressing complaint should give it a trial, for it will not fail to afford immediate relief, and in a majority of cases will effect a *radical cure*.

QUINSEY AND SORE THROAT are sometimes extremely malignant and dangerous but a timely application of this Liniment will never fail to cure.

SPRAINS are sometimes very obstinate, and enlargement of the joints is liable to occur if neglected. The worst case may be conquered by this Liniment in two or three days

BRUISES, CUTS, WOUNDS, SORES, ULCERS, BURNS AND SCALDS, yield readily to the wonderful healing properties of DR. SWEET'S INFALLIBLE LINIMENT, when used according to directions. Also, CHILBLAINS, FROSTED FEET, AND INSECT BITES AND STINGS.

Every Horse Owner

should have this remedy at hand, for its timely use at the first appearance of lameness will effectually prevent those formidable diseases, to which all horses are liable, and which render so many otherwise valuable horses nearly worthless.

Over four hundred voluntary testimonials to the wonderful curative properties of this Liniment have been received within the last two years, and many of them from persons in the highest ranks of life.

CAUTION.

To avoid imposition, observe the signature and Likeness of Dr. Stephen Sweet on every label, and also "Stephen Sweet's Infallible Liniment" blown in the glass of each bottle, without which none are genuine.

No. 1, Standard Shuttle Machine, formerly sold at $90,

No. 2, Standard Shuttle Machine, formerly sold at $100,

Reduced to $70.

Singer's Letter A Machine,

IS the best Machine in the word for Family Sewing and Light Manufacturing purposes; Price, (with Hemmer,) and beautifully ornamented,

FIFTY DOLLARS.

The Nos. 1 and 2 machines are of great capacity and application for manufacturing purposes.

Our No. 3 machines are especially adapted to all kinds of light and heavy

LEATHER WORK,

in Carriage Trimming, Boot and Shoe Making, Harness Making, etc., etc. They are of extra size, with an arm long enough to take under it and stitch the largest sized dashes. There is scarcely any part of a *Trimmers' stitching that cannot be better* done with them than by hand; so, too, the saving of time and labor is very great. The table under these machines is 24 inches long, and the shuttle will hold six times the usual quantity of thread. The large machines work as fast as small ones.

We would ask for our Letter A machines, the special attention of Vest Makers and Dress Makers, and all those who want machines for Light Manufacturing purposes. They embody the principles of the standard machines, making like them, the interlock stitch, and are destined to be as celebrated for Family Sewing and light manufacturing purposes as our standard machines are for manufacturing purposes in general.

We have always on hand

Hemming Guages, Silk Twist, Linen and Cotton Thread on Spools, Best Machine Oil in Bottles, etc., etc.

We manufacture our own Needles, and would warn all persons using our machines not to buy any others. We know that there are needles sold *of the most inferior quality*, at higher prices than we charge for the best. The needles sold by us are manufactured especially for our machines. *A bad needle may render the best machine almost useless.*

Our customers may rest assured that all our Branch Offices are furnished with the [illegible]

GENUINE ARTICLE.

In case of small purchases, the money may be sent in postage stamps or bank notes.

Correspondents will please write their names distinctly. It is all important that we should in each case know the post office, county and state.

All persons requiring information about Sewing Machines, their size, prices, working capacities, and the best methods of purchasing, can obtain it by sending to us, or any of our Branch Offices for a copy of

I. M. SINGER & CO.'s GAZETTE,

which is a beautifully illustrated Pictorial Paper. *It will be sent Gratis*

We have made the above Reduction in Prices with the two fold view of benefitting the public and ourselves The public have been swindled by spurious machines made in imitation of ours. The metal in them, from the iron casting to the smallest piece, is of poor quality. Their makers have not the means to do their work well. They are hid away in secret places, where it would be impossible to have at their command the proper mechanical appliances. It is only by doing a great business, and having extensive manufacturing establishments, that good machines can be made at moderate prices. The best designed machines, Badly Made, are always liable to get out of order, and are sure to cost considerable trouble and money to keep them in repair. The qualities to be looked for in a machine are: *certainty of correct action at all rates of speed, simplicity of construction, great durability and rapidity of operation, with the least labor.* Machines to combine these essential qualities, must be made of the *best metal and finished to perfection.* We have the ways and means, on a grand scale, to do this.

The purchasers of machines, whose daily bread it may concern, will find that those having the above qualities not only work well at *rapid* as well as *slow* rates of speed, but *last long* in the finest possible working order. Our machines, *as made by us, will earn more money with less labor* than any others, whether in imitation of ours or not. In fact, they are cheaper than any other machine as a gift.

GREAT REDUCTION

—IN—

The Prices

—OF—

SINGER & CO.'S

STANDARD MACHINES

Well known to be the best for

Manufacturing Purposes:

No. 1, Standard Shuttle Machine, formerly sold at $90,

Reduced to $70.

No. 2, Standard Shuttle Machine, formerly sold at $100,

Reduced to $70.

Singer's Letter A Machine,

IS the best Machine in the word for Family Sewing and Light Manufacturing purposes; Price, (with Hemmer,) and beautifully ornamented,

FIFTY DOLLARS.

The Nos. 1 and 2 machines are of great capacity and application for manufacturing purposes.

Our No. 3 machines are especially adapted to all kinds of light and heavy

LEATHER WORK,

in Carriage Trimming, Boot and Shoe Making, Harness Making, etc., etc. They are of extra size, with an arm long enough to take under it and stitch the largest sized dashes. There is scarcely any part of a Trimmers' stitching that cannot be better done with them than by hand; so, too, the saving of time and labor is very great. The table under these machines is 24 inches long, and the shuttle will hold six times the usual quantity of thread. The large machines work as fast as small ones.

We would ask for our Letter A machines, the special attention of Vest Makers and Dress Makers, and all those who want machines for Light Manufacturing purposes. They embody the principles of the standard machines, making like them, the interlock stitch, and are destined to be as celebrated for Family Sewing and light manufacturing purposes as our standard machines are for manufacturing purposes in general.

We have always on hand

Hemming Guages, Silk Twist, Linen and Cotton Thread on Spools, Best Machine Oil in Bottles, etc., etc.

We manufacture our own Needles, and would warn all persons using our machines not to buy any others. We know that there are needles sold *of the most inferior quality,* at higher prices than we charge for the best. The needles sold by us are manufactured especially for our machines. *A bad needle may render the best machine almost useless.*

Our customers may rest assured that all our Branch Offices are furnished with the

GENUINE ARTICLE.

In case of small purchases, the money may be sent in postage stamps or bank notes.

Correspondents will please write their names distinctly. It is all important that we should in each case know the post office, county and state.

All persons requiring information about Sewing Machines, their size, prices, working capacities, and the best methods of purchasing, can obtain it by sending to us, or any of our Branch Offices for a copy of

I. M. SINGER & CO.'s GAZETTE,

which is a beautifully illustrated Pictorial Paper. *It will be sent Gratis*

We have made the above Reduction in Prices with the two-fold view of benefitting the public and ourselves. The public have been swindled by spurious machines made in imitation of ours. The metal in them, from the iron casting to the smallest piece, is of poor quality. Their makers have not the means to do their work well. They are hid away in secret places, where it would be impossible to have at their command the proper mechanical appliances. It is only by doing a great business, and having extensive manufacturing establishments, that good machines can be made at moderate prices. The best designed machines, Badly Made, are always liable to get out of order, and are sure to cost considerable trouble and money to keep them in repair. The qualities to be looked for in a machine are: *certainty of correct action at all rates of speed, simplicity of construction, great durability and rapidity of operation, with the least labor.* Machines to combine these essential qualities, must be made of the *best metal and finished to perfection.* We have the ways and means, on a grand scale, to do this.

The purchasers of machines, whose daily bread it may concern, will find that those having the above qualities not only work well at *rapid* as well as *slow* rates of speed, but *last long* in the finest possible working order. Our machines, *as made by us,* will *earn more money* with *less labor* than any others, whether in imitation of ours or not. In fact, they are cheaper than any other machine as a gift.

The road bed when completed will be crowning and uniform in surface, rising regularly from the bottom of the gutters to said center line. The grading will be estimated by the cubic yard in excavation, nothing being allowed for earth in embankment, surfacing, &c.

The material for embankment will be taken, first, from the sides of the road and in such manner as to form the gutters and a grade for sidewalks.

And, secondly, from the excavation to be made in the line of the road.

When the haul does not exceed 300 feet it will be estimated simply as earth in excavation, and bids must be made for the cubic yard, for every 100 feet over 300 feet.

The material for the road bed is to be earth and clay and no sand or gravel to be used.

GUTTERS.—The gutters, one on each side of said street are to be six feet in width at the top and eight inches in depth at the lowest point.

The gutters will be paved with good sound stone eight inches in width and placed upon their edges, and laid upon sand and gravel, and in such manner as to form a curved channel for the water. The shape of the gutters and the manner of laying the outside courses of stone, will be such as the aldermen of said ward may direct. The paving will be estimated by the lineal foot, which will include preparing bed for the stone, laying stone, hauling and furnishing same, &c.

SIDEWALKS.—The bed for the sidewalks, on each side of said street, will be 12 feet wide, composed of sand or gravel or other good material, and will correspond, in grade, as near as may be with the center line of said street; the said walks are to be made smooth and even and ready for planking.

CROSSWALKS.—At the southern intersection Bluff, Division and Wisconsin streets with said South First street, there are to be stone crosswalks three feet in width and composed of stone, not less than one foot in thickness and three feet in length, all well laid.

All said work to be done under the direction of the alderman of said third Ward.—Dated April 10th, 1863.
